Hi Parents... Keep Safe

Just to remind you that if you wish to attend next week's 'taster' sessions then please send your request to your child's classteacher. Requests for this and whether you want to use the sibling or 'anxious' slots on the first day need to be sent by your child's class email starting tomorrow but, please, before the 6th. (The email addresses enclosed below)

During this whole last 6 months many of you have been totally aware and appreciative of the difficulties faced by Headteachers and school staff in general.

A key part of my strategy was to keep parents totally involved and updated.

We only have a week to go. I shall send some reminders later this week - but, remember, our 'Booklet' with all arrangements/ times/taster sessions can be found on our website

www.standrews.hull.sch.uk under 'Parents' click on to 'September Arrangements'.

I enclose just one of the lovely messages my staff and I have been receiving. We all need encouragement.

Thank you.

Subject: Preparation for return

Good morning Mr Huckstep,

Hope you are well . I would just like to commend yourself and your team for all the time and effort that you have taken to ensure that us parents are fully updated with the measures that have been put in place to ensure a safe and happy return to school for our children . Some people may not have the same opinion as myself however just to make everyone aware that not all schools in Hull are or have done their up most to keep parents informed or even their teachers . I have two friends one a high school teacher and the other a primary and after speaking to both of them just yesterday I'm feeling extremely confident with my Daughter's return back to school . I don't have Facebook but if I did I would definitely have posted this . Once again thank you for all your efforts and keep up the great work.

*Kind regards ******

1st September 2020

IMPORTANT REMINDER.

Please keep these class email addresses for future use as the links between parents and their child's classteacher will remain very important as we build confidence, develop our homework and all round learning strategies, and support our families. Thank You.
