5th November 2020

Hi Parents.... REMEMBRANCE:-

We aim to support the Poppy appeal again this year but different to normal.

We are arranging for every child in the school to receive a Poppy.

We simply ask if you would be generous in sending in a few pennies which we can collect as part of this year's Poppy Fund.

Giving each child a Poppy will hopefully keep the significance of this time of Remembrance and the notion of love and supreme sacrifice very much in our minds.

As well as bring back memories of our 75th Anniversary activities in May.

Also, our 'Heroes Gallery' will remain on our website for a long time.

If you wish to add any photos or messages from family members who are ,or were, linked to the armed forces then please let me know. I will be honoured to add them to our 'Heroes Gallery'

I will also lay our wreath for the 'Old Contemptibles' of the First World War at the City Centre Cenotaph during this next week.

One family has already sent me a photo of their Poppy art work from home. Well done Amelia R in Y2(and mum). See photo below.

CONKERS! Again,the question of 'Am I holding a conker competition this year?' Of course...but again with a difference - anyone who feels they have found the 'biggest' conker then please just stick it in an envelope - with kiddies name on- and hand it in to teacher. Closing date is next Tuesday(10th)....Only one conker allowed per child!

We are not doing 'smallest conker' this year...just 'biggest'

These two issues- REMEMBRANCE AND CONKERS- are further reminders of our school's determination to keep our popular events and activities going within the safety restrictions.

We are planning for next week's Children In Need...then St Andrew's Day....and then Christmas so that our kids will experience the fun and laughter - as they deserve. All will be differently organised but we MUST KEEP POSITIVE.....Our recent Raywell trips were a huge success. I have already booked for further trips in February (Y3 and Y5)...in March (Y4)..and in June (Y6).

WE MUST KEEP POSITIVE FOR OUR CHILDREN'S SAKE.....and to keep on top of any anxiety or mental health problems.

Finally, any child self isolating, automatically goes on to our home learning list, but also please note that BBC bitesize is back to help support kiddies at home.

Your favourite #BBCBitesizeDaily shows are now being shown on CBBC from 9am Mon to Fri until 11 Dec!

We've also got BRAND NEW lessons, collections and learning packs on our website.

bbc.co.uk/bitesize

Take care. Graham Huckstep

Subject: Busy at home making Poppy's for our window display (Amelia R year 2)
