## ADMISSIONS POLICY FOR ACADEMIC YEAR 2022 – 2023

### ADMISSIONS POLICY CONSULTATION

St Andrew's C E Primary School is consulting on the school's admission arrangements. These arrangements are for pupils who will be starting in September 2022. The consultation is taking place for a period of six weeks, between Wednesday 9th December 2020 – Wednesday 20th January 2021.

#### Why are we consulting?

The school must set ('determine') admission arrangements annually. Where changes are proposed to admission arrangements, the school must first publicly consult on those arrangements. If no changes are made to admission arrangements, they must be consulted on at least once every 7 years. We have revised the SIF in order to make it clearer to apply, medical/exceptional reasons have been removed, the 7<sup>th</sup> criterion is to give priority to pupils who have attended one month in the nursery and nursery admission details are now in a separate document.

You are invited to review the admission arrangements and to ask yourself the following questions:

- are the arrangements reasonable?
- are the arrangements clear?
- are the arrangements objective?
- do the arrangements comply with the school admissions code 2014 and the school admissions appeals code 2012, and the laws and regulations behind them?
- will the arrangements cause disadvantage or discrimination?
- could changes be made that would improve the arrangements?

Responses to this consultation should be sent to [admin@standrews.hull.sch.uk](mailto:admin@standrews.hull.sch.uk) The closing date for responses is Wednesday 20<sup>th</sup> January 2021. On conclusion of the Consultation all responses received will be collated and presented to the Governing Body in February 2021 for full consideration. The outcome of the Consultation will be posted on the School's website along with the final admissions policy for 2022.
