NEWS/GH
10th January 2021

Hi Parents.... Please remember that the Home Learning Guide sent to you in this email is exactly that - JUST A GUIDE....much of the Guide can be adapted to your own family work plan to suit individual circumstances. Staff will evaluate weekly.

If you ever encounter technical problems try not to worry. As a 'back up' we have sent you details of BBC Bitesize...Joe Wicks...links to Twinkl and Phonics Play...+ others.

You can record TV programmes etc so it fits in with your own circumstances.

Contact your child's classteacher if you do encounter any technical problems.

IMPORTANT REMINDER:-

It is a school's legal duty to provide 3 hours work daily for each child. How much time can parents realistically allow to be with their child? 15 minutes?...30 minutes?....1 hour?...2 hours?...3hours?...more??? Obviously, much depends on the age of the child....but you are not alone. I will keep sharing good examples of how families are coping in order to help other parents.

I know, after the first Lockdown and your amazing work then, I am going to feel very proud of your efforts - no matter how much time you can afford.

Just do your best. Use our Helplines. Keep calm. We must continue working together so no child is left behind.

God Bless x

Please also note that the 'Assembly' Google Meeting times will also include opportunity for staff to discuss any curriculum matters...queries from kiddies or parents etc.

Paper copies of work will be delivered (and collected) each Tuesday.

Finally....DON'T FORGET THOSE TREATS FOR YOURSELVES....PARENTS ALSO NEED

SPOILING!-  ***x***
