NEWS/GH
24th December 2020

        SPECIAL MESSAGE FOR PARENTS.

Yesterday, it was confirmed that sadly up to approx . 80% of our Christmas filming was in danger of being totally lost. The hard drive had completely failed. We have now sent this away to a 'specialist' laboratory in the hope that we can save these films(this may take weeks rather than days!) Fortunately ,some of the early 'drafts' were sent to staff to help with the editing. Thanks to Mr Galloway, we have been able to use these to put together the Phase 1 Production(Nursery/Reception/Y1) Most of the other Year Groups films still remain 'trapped' on the hard drive. In this version of the Phase 1 Production, there may still be some scenes missing but these will 'return' once the laboratory has done its job (fingers crossed!).So please be understanding if any scene with your child is presently omitted. Thank you for your support...it has been another crazy few days!

I am relieved (and delighted!) that we are able to send parents this 'sample' of what to expect once all the problems have been sorted.

So, on this very special day of Christmas Eve, I am pleased to send our parents this film of our very youngest children performing the Nativity story. I hope you all feel it is ok...the kids look great!

Have a lovely Christmas.       

Regards, Graham Huckstep.x
