**Hi Parents.., COVID UPDATE:-**

***I can confirm that our school will re-open tomorrow (Monday 4th).***

***My staff each deserve a medal...they are so supportive and understanding of what they feel they need to do despite how much harder and difficult the situation has become.***

***However, parents need to be prepared for any change in circumstances which may result in closure at any time in the future.***

***The situation could change very quickly. We hope not, but who knows what may happen? - will we have to close individual classes, or Year Groups or half the school...or the whole school if matters worsen? The situation is that bizarre! But please be rest assured that if changes take place these will be in the best interest of our school community and will follow Government Guidelines. As always, our intentions are to support our families and ensure that pupils learning continues.***

***Just please be aware. Please be understanding. We need your encouragement ...difficult times indeed.***

***I will keep you updated, so again, please don't listen to any negative Facebook or other social media scaremongering stories. I am more determined than ever to protect our families from unnecessary anxiety. I am more determined than ever to protect my staff and our kids.***

***We must all continue to play our part. Please continue to adhere to all our safety measures ( as listed in last week's email)***

***God Bless. Take care.***

***Regards,***

***Graham Huckstep.***
