## PARENT MESSAGE 2 – MORE IMPORTANT INFORMATION

I am deliberately sending this information separate to previous emails so parents can clearly see these important issues.

1. We expect parents to please keep us informed of any Covid related issues in their family. We aim to keep monitoring our school community very carefully in order to gauge any specific concerns in this area.
2. Due to safety measures and staffing limits, if, for any reason in the future (after this week) a class teacher is absent **we may not be able to cover that class. Consequently the class bubble may have to close.** The children returning when the class teacher returns.

Please note: if a member of staff is absent this does not mean it is Covid related. If it is Covid related all steps will be followed as outlined by the guidelines.

3. Similar to the Summer Term, during partial reopening, we may at some stage issue a 'maximum limit' of pupils who can attend school. This will be within appropriate guidelines and adhere to our rigid safety measures.

KEEP SAFE!
