Statement of intent

At St Andrew's C E Primary School, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

Appendix A

Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we have to be prepared for local lockdowns. In the event of a local lockdown, the school will implement provision for remote learning, so pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines how we will deliver remote education during the pandemic.

1. Contingency planning

- 1.1 The school will open to all pupils at the start of the Autumn term, in line with national and local guidance.
- 1.2 The school will work closely with the LA to ensure the premises is 'COVID-secure', and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 1.3 The school will work closely with the local health protection team when entering into a local lockdown and implement the provisions set within their contingency plan.
- 1.4 The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 1.5 If there **is not** a local lockdown, but a single class or 'bubble' needs to self-isolate, the school will implement remote learning immediately for that group.

2. Teaching and learning

- 2.1 All pupils will have access to high quality education when remote working.
- 2.2 The school will use a range of teaching methods to cater for all different learning styles, this includes:
 - Current online learning portals – Google Classroom
 - Quizzes
 - Online materials
 - Educational Websites
 - Live webinars
 - Pre-recorded video or audio lessons
 - Various reading tasks – e.g. comprehension, inference and prediction
 - Daily challenges

- Times Table Rock Stars
- Mental Health/ Well-being activities

2.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

2.4 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
- Provide frequent, clear explanations of new content through high quality curriculum resources, including through educational videos.
- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.

2.5 All provisions for remote learning will be subject to the class group's age and ability.

2.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not make the decision lightly.

2.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes and testing.

3. Returning to school

3.1 The headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.

3.2 After a period of self-isolation, or the lessening of local lockdown rules, the headteacher will inform parents when their child will return to school.

3.3 The headteacher will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

4. Monitoring and review

4.1 This policy annex will be reviewed in line with any updated to government guidance.

4.2 All changes to the policy will be communicated to the relevant members of the school community.

What 'Remote Learning' can I expect from St Andrew's C E Primary School?

This information is to be used as a general guide and parents can expect further details of remote learning for their child as and when it is required. We aim to implement remote learning instantly. There are 2 general scenarios outlined below; the first scenario where your child is not permitted to attend school and the second outlines the actions in the case of a whole bubble not being permitted to attend school.

The Government's Oak Academy online lessons can be used for remote learning for every year group, covering a wide range of curriculum objectives. <https://www.thenational.academy/>

Circumstance	Remote learning
<p>My child (<i>and their siblings if they are also attending St Andrew's C E Primary</i>) is absent because they are awaiting test results and our household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.</p>	<p><u>KS1</u> <u>Year 1</u> English: Two reading/phonics lessons, 2 writing lessons (sentence construction) and one handwriting lesson. Maths: Year 1 White Rose Maths tasks (1 per day). Either worksheets or a quiz, plus videos to support learning. Other subjects (one chosen each day): Science, RE, PHSE (Jigsaw lesson), Humanities (Geography/History), Creative subject (Art/DT/Music).</p> <p><u>Year 2</u> English: Two reading lessons, two grammar lessons and one writing improvement lesson. Maths: Year 2 White Rose Maths tasks (1 per day). Either worksheets or a quiz, plus videos to support learning. Maths (up to 1 hour): Each year group to use White Rose Maths lesson daily with a worksheet or quiz, plus videos to support learning. Reading – Daily lessons covering a range of reading skills from the year group objectives. Other subjects (one chosen each day): Science, RE, PHSE (Jigsaw lesson), Humanities (Geography/History), Creative subject (Art/DT/Music).</p> <p>Years 1-6 to provide spellings on a Monday for children to learn throughout the week and then to answer a spelling quiz each Friday.</p> <p>The work for each year group will be scheduled to go onto Google Classroom each day at 8.30am. If parents have requested the work to be emailed, this will also be emailed at 8.30am. Differentiation: depending on the subject, work to be differentiated B/S/G. Any children who are working on B squared, their work will be differentiated further.</p> <p>Videos to be used to help support learning where appropriate.</p> <p>Feedback to be provided to pupils as soon as possible</p> <p>1:1 support if your child receives 1:1 support and they are isolating; a more bespoke programme of support will be set up. This may include phone calls / video chats with your child's 1:1 support. They will usually be expected to still complete the learning set on Google Classroom.</p>

My child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.
