

### English

1. You are looking after a dinosaur egg. Write some instructions on how to care for it.
2. The dinosaur egg cracks open. List adjectives to describe the baby dinosaur and/or write them in sentences.
3. Imagine the dinosaur was loose around your house! Write down what it gets up to!

### Computing

Complete some research about your favourite dinosaur eg. What it ate? What it looked like? What body parts did it have?

## Home Learning Project

### Year 1

### Dinosaurs

### DT

Using recycled materials from your home, create your own dinosaur.

### Maths

Draw dinosaur feet in groups of 2, 5 and 10. Write the 2 times table under the groups of 2. Write the 5 times table under the groups of 5 and write the 10 times table under the groups of 10.

### Geography

Imagine your dinosaur has escaped from your house. What attractions in the city of Hull could it visit? Write a list or draw pictures or add photos.

### Reading

Read or listen to stories about dinosaurs. Draw a picture to show what happened in the beginning, middle and end of your story. Add captions too.
