Hi Parents...

More examples of great care, hard work and fantastic spirit shown by our kids and their families:-

Jake L. Y4.. teacher tells me that Jake keeps making everyone smile! Teacher says:-

'...he likes to think of himself as the 'class clown' and is always trying to make everyone laugh

Since lockdown, he has been writing daily jokes on Google Classroom to cheer everyone

up. Thank you
your favourite jokes.

Well done Jake.

Please send me three of

Libby F Y6... not only is she doing amazingly well with her Google Classroom work - goes on to do the extra project work...she also finds time to be another of our pupils part of the group picking up litter in the local area. Another of our all round super stars!

Well done, Libby

I have enclosed some of the great photos mum has sent. Fantastic work!

Libby F in Year 6 has been working very hard and completing all her work on Google Classroom each day. Libby has also been completing project work (optional work) each day and here is a selection of her work. This week Libby has volunteered to help tidy the local area and has been picking up litter.

Marcus Y2...

Teacher tells me:-

Recently, Marcus's mum gave birth to his baby sister and he has been working really hard at home helping mummy look after his younger sister Kaylianna and the new baby too. We are so proud of him for being such a caring and helpful big brother.

This is great, Marcus...well done in looking after new baby, your sister and mum. Good boy.

Online training on emotional health and wellbeing

Please see the attached flyers for online training/workshops for parents and carers and also for schools and community based staff to support with emotional health and wellbeing during lockdown. I send you both pieces of information as I know many of you may work in settings in which this sort of training will be beneficial. All sessions will be delivered by Hull and East Yorkshire Mind and have been developed in response to consultations. Further details headstarhull@hullcc.gov.uk

Parents just need to read the flyers carefully and send the following to the HeadStart Hull inbox:

- Name
- Email address
- Name of workshop you wish to attend
