NEWS/GH

20th March 2021

1. Easter Eggs Design— already some great ideas...don't forget families have a couple of extra days to complete. Eggs are due in next Thursday (25th). Thank you.
2. Easter Holiday Dates:- please remember that our Easter dates are different from those of other schools. We don't close for Easter until Thursday 1st April.(Most other schools close next Friday) We reopen on Monday 12th April.
After our recent Lockdown, we are pleased our holiday dates are again shorter for Easter as it gives us more time to support our children in our school with 'Catch Up' strategies.
Our longer holiday comes at Whit.

On our carnival day we all wore lovely bright clothes! We looked at some carnival kites and did a science investigation into which materials would make the best kite. We tried cloth, tissue and paper. We found that paper was the best so we each made our own paper kite and drew carnival pictures on them to decorate it. We had so much fun!

Carnival Day

On our carnival day we also designed and made our own carnival masks!
