Every Child A Champion In Their Own Right Matthew 5.16 – 'Let Your Light Shine'

Hi Parents,

Sports clubs...these are going great. With poor weather forecast for possibly tomorrow and/ or Friday please remember that we always encourage parents to please make sure your child has spare socks...maybe also a spare shirt, trousers (or sports kit)-some kids have even brought spare underwear previously!...and of course a towel.

If the weather is really too bad then we may cancel but generally, kids love to be out in the damp weather - our clubs are all about character building - as long as kids are safe.(Just like being at Raywell!)

Homework:- this will be sent out tomorrow (Thursday) but 'extra' may be sent out on Friday as we continue encourage parents to please keep supporting their kiddies during the half term break with PHONICS/READING/TIMES TABLES (and other maths topics.)Thank you.

Reminders:-Friday is Chill Out Day...non uniform. Also, Parent Pop In..12.30-1.15. BUT.. Please note that this is too early for children to be taken home. School exit time is as usual. (3.00) Thank you, as always, for your support.

Albatross September Update

We have had the chance to apply to be a house captain and some of us were voted in to this very important role. We have also been working very hard to learn all of our multiplication tables. Please watch our harvest festival worship, which we performed to the rest of the school, by clicking on the link below.

Jack Harrison, Alex Waterson, Eli Crawforth and Alice Knight

Another example of a variety of work sent to this Y1 class governor- Mrs Benson remains absent - deeply distraught about the sudden family bereavement but she will be delighted at the amount of great effort and super standards being reached by her pupils.

Good morning,

We just wanted to say hello and give you a little update about our Year 1 Swans class.- (Mrs Baldwin + Mrs Benson.)

The children have settled into year 1 really well. They have been very busy concentrating on the basics, including reading, writing and maths. The children have also been working on their timestables and all their other basic skills.

I have attached some photos of the children who went up in sharing assemblies. I have also added photos of English, Maths and Jigsaw (PSHE) work.

It would be lovely for our class to meet you soon. 👍 🏆 🏆

Jigsaw (PSHE)

The children learnt about the rights and responsibilities as a member of their class, and they talked about how they belong to their class. They made some handprints and put them altogether as a class.

Grace Vine- For settling well into year 1!

Cohban Taylor- For settling well into year 1 and super effort!

Gustas Gecas- Lovely neat writing!
