Some of the details/ stories you sent in were amazing. Thank you.

Today, I am pleased to share the determination of Brooke Hewitt (Y6)who is giving her poorly grandad

incredible support. Well done Brooke  
Mum wrote:-

Dear Mr Huckstep , just wanted to give you an update on Brooke, she found out her grandad has lung cancer and also prostate cancer and decided to do the 100 skips everyday throughout the whole of October to raise money for Cancer Research and to keep her grandad in good spirits through his radiotherapy and chemotherapy.

If its possible to share the link for us both that would be amazing.
