## **Every Child A Champion In Their Own Right Matthew 5.16 – 'Let Your Light Shine'**

Dear Parents,

**50 YEARS OF SCHOOLING!!!**

This year I celebrate half a century of being a teacher!

My Passion..My Duty. The greatest job in the world.

After a wonderful Summer break when I was able to relax a little after the difficulties caused by the pandemic, my wife and I came to a decision - which had to be made one day - that all good things have to come to an end sometime.

So, with a heavy heart, I wish to respectfully inform parents that - at some point during this school year - I will be leaving St Andrew's.

I am aware that any change can be difficult for some. I will miss the children beyond belief! I haven't obviously mentioned anything to our pupils as I know that will be done sensitively by parents in their own way. My 50 years are jammed packed with wonderful memories.

It is hoped that this early announcement will help children, parents and staff to digest my intentions.

However, retirement has to come sometime and, hopefully, will be another great adventure for me and my family.

I need to discuss further with my wife and, of course, our governors as to the exact date of leaving but I thought it best to inform our special Family of St Andrew's of this decision.

You and your fantastic scallywags have all helped to make this school so special. It has been a most wonderful journey in my career. Thank you.

Further updates will be sent to you as appropriate.

Kindest regards, Mr Hx
