Every Child A Champion In Their Own Right Matthew 5.16 – ‘Let Your Light Shine’

Hi Parents.... Just thought I'd send another of your many lovely messages BUT..,this one includes a very serious message about WATER SAFETY...please help to raise awareness with your kids of how dangerous ice can be. Thank you.

Good Morning Mr Huckstep

Hope you are well and your ankle is getting better!

Just a quick one, the swimming school that my daughter attends has sent out this email with some information regarding water safety in the winter after that terrible tragedy that has recently happened to those school children in Solihull. There is also a downloadable colouring sheet to give to the children with an opportunity to discuss the importance of water safety around ice etc.

Looking forward to seeing the Year 4,5 and 6 production later. Reception and Y1 was wonderful thank you and if I don't see you before Merry Christmas and Happy New Year!
