## Every Child A Champion In Their Own Right Matthew 5.16 – 'Let Your Light Shine'

Dear Parents and Carers

I would like to express my sincere gratitude to all parents and carers for their unwavering support throughout my tenure as Acting Head. It has been an absolute honour to guide the school during this period of transformation, and witness the positive outcomes that these changes have brought about for our school, our children and our families. I have enjoyed every minute, whether that has been through making parents' lives easier through initiating Parent Pay, making changes to the way we teach the children or just saying hello to everyone at the gate at the start and end of every school day.

As we look forward to the future, I am delighted to announce that Mrs. Cairns will assume the role of Headteacher at St. Andrew's starting from September. With her leadership qualities and dedication to our school, I am confident that she will continue to steer us on the path of progress and excellence.

Once again, I extend my heartfelt appreciation for your continuous support and the kind words of encouragement you have shared with me throughout this year. Your commitment to our school community has been invaluable, and I am grateful for the opportunity to have worked alongside such dedicated staff, parents and carers. It has been a privilege to be the school's Headteacher.

St. Andrew's Staff:

I would like to take this opportunity to express my deepest gratitude and extend a resounding thank you to a number of staff members who will be departing from our team this year. Their invaluable contributions and unwavering commitment to fostering the learning and growth of all our children deserve recognition and appreciation. To Mrs Daggitt, Mrs. Woods, Miss Grannon, Miss Evans, Miss Strathearn, Miss McGeachy, Miss Womack, Miss Foxhall, and Mr. Lambert, your dedicated service has made a significant impact on the lives of our children. Through your tireless efforts and unwavering support, you have created a nurturing environment where our children could thrive academically and personally. As you move forward on your respective paths, we extend our best wishes for success in all your future endeavours. Thank you.

Sponsor money:

Wow! The St Andrew's family have done it again. We would like to extend our appreciation to all the children and families who generously supported the 'Move on Wheels sponsored event'. We are thrilled to announce that your efforts have resulted in an impressive total of over £4000 in sponsor money raised. This remarkable achievement is truly fantastic and will greatly contribute to enhancing the resources for our wonderful children.

Sharing assembly:

Please click on the link below for the Sharing Assembly photos last week.
