Hi Parents...

What an incredible half term. You and your kids have been brilliant. Our school attendance is way above local and national averages which shows your fantastic support for our safety measures and positive links with our families.

As promised, I have continually monitored our entry/ exit procedures, including speaking to various parents and staff ...I will soon send out my half term review report.

I have lots to pass on to you...not least the fact that this week Y5 have had wonderful day trips to Raywell - really heart-warming, fantastic fun, loads of mud, lots of happy kids. Photos of these trips and Harvest Festival gifts and more sharing photos etc will be sent during these next few days.

One important issue (locally and nationally) is that of making sure all children have a proper meal each day during these times when many families are struggling. One parent has just emailed me offering to do extra shopping for any family I know of who can't provide a proper meal for their child. I know of many. But there are also lots of worthwhile charities out there.

But also, you may find the link below to a newspaper article about this matter useful. The article also has a links to schools who have experienced negative issues regarding social distancing etc. –

**Thankfully ,here at St Andrew's , the vast majority of parents are being wonderfully sensible and playing their part to keep each other safe. As I have said many times :-**

**We are all in this together...we will pull through together.**
