SUPPORTING OUR FAMILIES-

Hi Parents...much is always going on behind the scenes - especially in trying to support vulnerable families.

I have received information about a Community Project organised by 'Unity in Community' to help support families in these difficult times. Here are the details that have been sent to me....please pass on the details to anyone you know who may be appreciative of this support. Thank you:-

We have received funding through the Energy Redress Scheme to support people on prepayment meters, families can receive up to 3 vouchers for £49 per voucher, Single people can also have 3 vouchers for £28 per voucher.

This is for postcodes HU1 - HU9 only, there is no benefit criteria the only thing that they need to say is how they have used more utilities as a result of the pandemic and having to be in the home for longer periods.

If they could come to our office at 372 Greenwood Avenue Hull HU6 8AP they need a document with proof of name & address, Gas & Electric meter numbers between the hours of 10.00am - 12.00pm or 1.00pm - 3.00pm mon to fri.

Kind Regards
