Hi Parents

There is still lots and lots going on behind the scenes.

I will soon - over the next couple of weeks - be sending you various videos showing which gates/ doors the kiddies will be using....a 'Welcome Back ' video...as well as a video from each class teacher showing their classrooms.

Much happening....we are preparing very carefully....please try and be confident...don't worry.

Today's teacher messages for the kids come from Y1 and Y6 staff.

Remember Y6:- you are now top of the school....highest standards at all times - you are going to be great.

Elections for House Captains will be during the first couple of weeks with applications for Head Boy and Head Girl to start later in the term.
