

The Tiger who came to Mrs. Wright's for Tea!

One day, there was a knock at the door. Mrs. Wright said "I wonder who that can be." She went to the door to see. Mrs. Wright opened the door and there was a big, furry, stripey tiger!

The tiger said "Excuse me, but I am very hungry! Do you think that I could have tea with you?" Mrs. Wright said "Of course, come in!"

The tiger ate all of the chocolate Easter eggs!

He drank all of the milk from the fridge!

He ate all of Daddy's yoghurts.

And...he drank all of the water from the taps!

After a while, he fell asleep!

Then he said "Thank you for my lovely tea! I think I better go now!"

And off he went!
